

LS Quick Kit DN10-50

The Limit Switch Quick Kit allows the fast and secure installation of the FIP LSQT to the VKD and TKD valves.

The body is in PP-GR and the handle in stainless steel AISI 316.

The handle block at 0° and 90° is also available by default (hole diameter 6.5 mm).

The kit can be assembled on the valve even if already installed on the system.
